Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Saturday 03 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Feeling warm with heavy and perhaps thundery showers.

Today:
A largely cloudy start with outbreaks of showery rain through the morning, which may be heavy at times. During the afternoon, heavy and perhaps thundery showers develop with occasional sunny spells. Feeling warm. Maximum temperature 22 deg C (72 deg F).

Tonight:
Showers, locally heavy continue into the evening with some late sunny spells. Turning drier overnight with some clear spells. Chance of some low cloud and fog patches. Minimum temperature 10 deg C (50 deg F).

Sunday:
A largely dry start with some sunny spells before heavy, perhaps thundery showers readily develop through the morning and continue through the afternoon with warm sunny spells in-between. Maximum temperature 23 deg C (73 deg F).

Outlook for Monday to Wednesday:
Bright spells with showers, locally heavy on Monday. Cloudier and cooler with outbreaks of rain, at times heavy into Tuesday. Blustery on Wednesday with showers or longer spells of rain.
